Holiday Wish List

Thank you for thinking of the Ronald McDonald House this holiday season! Throughout the year, many of our friends ask, “how can we help the families in a personal way?”

Below are several suggestions for donations to ensure our guest families and their children enjoy the holidays away from their own home. Due to the immune suppression of some of the kiddos, we can only accept new items, and sending the gifts unwrapped helps us organize them! (We have volunteers who will help wrap them later).

Adults:

(Don't forget about Mom & Dad!)

- Makeup, bath and body products
- Robes, socks and slippers
- Costume jewelry
- Hoodies, Sweatshirts and Sweatpants
- Sleepwear (small to plus sizes)
- Flashlights or other tools

Kids

- Barbies and action figures
- Building toys (blocks/legos)
- Games and puzzles
- Coloring books, markers, colored pencils

Teens:

- Bath and body products
- Fall/winter clothing including hoodies, socks, and scarves
- iTunes gift cards
- Journals / sketchpads
- Art supplies

Infants and Toddlers:

(over 75% of our families have a baby in the NICU)

- Toys
- Blankets
- Clothing (especially size 3-12 month)
- Diapers and wipes (preemie and size 1)
- Burp pads
- Reusable bottles and formula

General:

- Gift cards
 - Walmart
 - Target
 - Gas Stations
 - iTunes
 - Amazon
- De-icer, ice scrapers, and gloves
- Classic board games

No time to shop? Gift cards are a great way to allow the Ronald McDonald House to purchase items for families that may not have been donated!
